- D. CLOSING ARGUMENT (§§ 101 TO 102)
- E. JURY INSTRUCTIONS (§§ 103 TO 106)

X. APPENDIX (§§ 107 TO 115)

I. IN GENERAL

- § 1 Introduction
- § 2 Scope of the article
- § 2.5 Federal pre-emption of labeling defect claims

II. ILLUSTRATIVE FACTUAL SITUATION

A. GENERALLY

- § 3 In general
- § 4 Toxic exposure incident
- § 5 —Application to construction setting

B. INSTRUCTIONS AS TO USE OF TOXIC SUBSTANCE

- § 6 Contractor's Application Instructions
- § 7 —Solvent Manufacturer's Recommendations
- § 8 Manufacturer's Material Safety Data Sheet

III. LEGAL BACKGROUND

A. THEORIES OF RECOVERY

- § 9 In general
- § 9.5 Theories of employer liability
- § 10 Liability of owner
- § 11 Liability of general contractor
- § 12 Right to control work of independent contractor
- § 13 Statutory duties of owners and contractors
- § 14 Liability of paint manufacturer
- § 14.5 Warning Requirements; Learned Intermediary Defense
- § 15 Application of statute of limitations

B. DAMAGES

- § 16 In general
- § 17 Personal injury damages—Generally
- § 18 —Checklist
- § 18.3 —Emotional distress
- § 18.5 —Medical monitoring
- § 19 Wrongful death damages—Generally
- § 20 —Checklist
- § 21 Client's diary
- § 22 Damage experts

IV. CASE INTAKE

- § 23 In general
- § 24 Initial client interview
- § 25 —Client preparation for interview
- § 26 Client Interview Checklist
- § 27 Options at conclusion of client interview
- § 28 Setting the fee
- § 29 Payment for litigation expenses

V. INVESTIGATING THE CASE

A. MEDICAL ISSUES; CAUSATION

- § 30 In general
- § 31 Medical Investigation Checklist
- § 32 Medical and scientific research sources
- § 33 Medical records
- § 34 Workers' compensation claim
- § 35 Medical Report

B. USING MEDICAL CONSULTANTS

- § 36 In general
- § 37 Treating physician
- § 38 Medical specialist
- § 39 —Preparing the expert
- § 40 —Preparation Checklist

C. DETERMINING THE FACTS

- § 41 In general
- § 42 Site investigation
- § 43 Finding fact witnesses
- § 44 Witness Interview Checklist

VI. PRESUIT CONSIDERATIONS

- § 45 In general
- § 46 Depositions to perpetuate testimony
- § 47 Plaintiff's pleadings
- § 48 Illustrative Complaint

VII. DISCOVERY

A. GENERALLY

- § 49 In general

B. DEPOSITIONS

- § 50 In general
- § 51 Deposition Checklist—Chemical Manufacturer
- § 52 —Painting contractor
- § 53 —Site manager
- § 54 Defense Discovery Preparation—Checklist

C. REQUESTS FOR PRODUCTION OF DOCUMENTS

- § 55 In general

D. INTERROGATORIES

1. To Painting Contractor

- § 56 In general
- § 57 Definitions
- § 58 Capacity in Which Work Was Performed

MISHANDLING TOXIC SUBSTANCES

- § 59 Notice of Presence of Plaintiff
- § 60 Method of Applying Product Containing Toxic Chemicals
- § 61 Use of Product Testing Procedures
- § 62 Quality of Supervision at Work Site
- § 63 Other Accidents Involving Same or Similar Substances
- § 64 Results of Defendant's Investigation
- § 65 Identity of Anticipated Trial Witnesses
- § 66 Extent of Insurance Coverage
- § 67 Contentions Defendant Expects to Make
- § 68 Financial Resources of Defendant

2. To Chemical Manufacturer

- § 69 In general
- § 70 Product Identification
- § 71 Negligent Product Testing Procedures
- § 72 Labeling; Warning
- § 73 Prior Accidents Involving Toxic Substance
- § 74 Warranties
- § 75 Disclosure of Defendant's Expert Witnesses

VIII. TRIAL PREPARATION

- § 76 In general
- § 77 Developing a theme for the case
- § 78 Mapping the trial
- § 79 Assessing and using plaintiff as a lead witness
- § 80 Assessing and using defendant as an adverse witness
- § 81 Assessing relative strength of the witnesses
- § 82 Continuity of the case
- § 83 Checklist for Mapping the Trial

IX. TRIAL

A. JURY SELECTION

- § 84 In general
- § 85 Selecting a jury
- § 86 Technique of conducting voir dire

B. OPENING STATEMENT

- § 87 In general
- § 88 Plaintiff's Opening—Illustrative Paragraphs
- § 89 —Checklist

C. PRESENTING PLAINTIFF'S CASE

- § 90 In general
- § 91 Plaintiff's demeanor as a witness
- § 92 Preparing the trial witnesses
- § 93 Presenting plaintiff's witnesses
- § 94 Presenting expert testimony
- § 95 Experimental evidence
- § 96 —Illustrative Testimony
- § 97 Handling the Causation Issue—Direct Examination
- § 98 —Cross-examination
- § 99 —Redirect examination
- § 100 —Checklist

D. CLOSING ARGUMENT

- § 101 In general
- § 102 Illustrative Summation Highlights—Plaintiff

E. JURY INSTRUCTIONS

- § 103 In general
- § 104 Liability
- § 105 Damages
- § 106 Comparative Negligence

X. APPENDIX

- § 107 In general
- § 108 Expert witness list
- § 109 Textbooks
- § 110 Federal government publications
- § 111 Industry publications
- § 112 Medical periodicals—toxic substances
- § 113 —Pulmonary conditions
- § 114 Annotations
- § 115 Legal periodicals

INDEX

- | | |
|--|--------------------------------------|
| Administrative violations as basis of contractor liability, § 13 | Attorneys at law |
| Adverse witness, defendant as, § 80 | – acceptance of case, § 27 |
| Anxiety as element of damages, § 17 | – attorney fees, § 28 |
| Attorney fees, § 28 | – case intake, § 23 |
| | – initial client interview, §§ 24–26 |

MISHANDLING TOXIC SUBSTANCES

- litigation expenses, payment of, § 29
- Bibliography, §§ 107–115
- Burden of proof, jury instruction, § 104
- Causation generally, § 100
 - cross-examination as to, § 98
 - direct examination as to, § 97
 - investigation of case, §§ 30–35
 - redirect examination, § 99
- Checklists
 - causation, § 100
 - client interview, § 26
 - depositions
 - – chemical manufacturer, § 51
 - – defense discovery preparation, § 54
 - – painting contractor, § 52
 - – site manager, § 53
 - mapping trial, § 83
 - medical investigation, § 31
 - medical specialist preparation, § 40
 - opening statement of plaintiff, § 89
 - personal injury damages, § 18
 - witness interviews, § 44
 - wrongful death damages, § 20
- Children, recovery of wrongful death damages by, § 19
- Clinical studies, admissibility of evidence as to, § 95
- Closing argument generally, § 101
 - illustrative summation highlights, § 102
- Comparative negligence, jury instruction, § 106
- Contingent fees, § 28
- Contractors
 - knowledge of danger, § 4
 - safety instructions issued by, § 6
- Control over independent contractor as basis of liability, § 12
- Cross-examination, causation issue, § 98
- Damages generally, § 16
 - diary of plaintiff, use of, § 21
 - depression as element of, § 17
 - enjoyment of life, impairment of, § 17
 - expert testimony as to, § 22
 - funeral expenses, § 19
 - general damages, § 17
 - jury instruction as to, § 105
 - loss of consortium, § 19
 - mental anguish or suffering, § 17
 - medical expenses, recovery of, § 17
 - pain and suffering, § 17
 - past and future earnings, recovery of, § 17
 - personal injury damages, §§ 17, 18
- Sexual dysfunction, § 17
 - special damages, § 17
